

SPECIAL ISSUE ON BUSINESS ENGLISH

Journal of Teaching English for Specific and Academic English

University of Niš, Republic of Serbia

CALL FOR PAPERS

The Journal of Teaching English for Specific and Academic English announces the call for papers for its first special, thematic issue on Business English. We welcome submissions dealing with any aspect of this most pressing and challenging field, be it linguistic, cultural, methodological, or else. Today more than ever, Business English is considered to be a finely tuned, purpose specific tool, the imperative required to join, communicate and compete in the international, worldwide market economy that allows for an appropriate, rapid and effective response to its ever-increasing demands.

The call for papers is open until **November, 1st, 2014**.

Propositions and instructions for form of paper are published on site of Journal of Teaching English for Specific and Academic English <http://espeap.junis.ni.ac.rs/index.php/espeap>

Special issue editors:

Nadežda Stojković, PhD, University of Niš, Serbia

Slavica Čepon, PhD, University of Ljubljana, Slovenia

Aleksandra Nikčević-Batrićević, PhD, University of Montenegro.
