CONFERENCE CALL FOR PAPERS

Our mission is to promote intercultural tolerance and dialogue. Our conference last year was a huge success and it is our great pleasure to invite you again to share your research, experiences, and educational innovations at the 6th ICBCB conference: Integrating Languages, Linguistics, Literature, Translation and Journalism into Education. Join us at ICBCB 2014 as we discover how educators from around the world are using innovative technologies to help students expand their horizons.

Conference events will include morning reception at our university, luncheon, coffee, tea and snack breaks. Our international guests will enjoy typical Kazakh dinner at a local restaurant and enjoy sightseeing of the city with a local guide.

We look forward to seeing you in Kazakhstan – the Land of Enchanted Horizons and our city Almaty also known as the City of Apples.
